

Education& Surgical training

- Shahid Beheshti University of Medical Sciences and health care
Doctor of medicine (1994-2001)
- Tehran University of Medical Sciences and health care
Ophthalmology (2003-2007)
- Tehran University of Medical Sciences and health care
Eye plastic and reconstructive surgery 2008
- Sabbatical in the US, Observing program, Bascom Palmer Eye Hospital in Miami and UIC in Chicago, 2014 (3 months)
- Participating in Observing program, Royal Victorian eye and ear infirmary, 2017 (1 month)
- Participating in exchange program, The US (2012)

Academic appointments

- Tehran University of Medical Sciences and health care
Associate professor of ophthalmology 2014
Eye plastic and reconstructive surgery *2008-present*
- Iranian society of Ophthalmology representative to ICO (international council of ophthalmology) *2010-2013*
- *Member of the board of Iranian society of ophthalmic plastic and reconstructive surgery 2017-2020*
- *Scientific Director of 9th IRSO annual meeting, April 2017, Esfahan, Iran*

- *Administrative role*
- *Educational assistant of oculoplastic department at Farabi Eye Hospital 2012-19*

- *Manager of residency annual promotion exam in Tehran province 2018*
- *Media coverage:*
- *Nine invited TV Health Program about eye disease and periocular surgeries.(7 short program in national Iran TV (each program around 10 min) and 2 long program in Esfahan province TV(around 45 min)(2015-16-18)*
- *Two invited program in Esfahan Province radio*
- *An article in IMNA press discussing a type of cosmetic lid surgery 2018*

Board certification

- Iranian Board of Ophthalmology 2007-present
- International Council Scholar by ICO 2008

Hospital affiliation and employer

Tehran University of Medical Sciences and health care ,Farabi Eye Hospital
 –Tehran Nov ,2007- June, 2019
 -Isfahan university of medical sciences, Feiz Eye Hospital –Isfahan
 2019 (June)-present

Honors & Awards

- First rank holder of Iranian Board Exam 2007
- Passing of ICO (international council of ophthalmology) clinical examination with merit leading to achieving international council scholar certification 2008

Reviews and Peer Assessment of Scientific Journals

- Current journal of ophthalmology
- Middle east and African journal of ophthalmology (MEAJO)
- Saudi Arabia journal of ophthalmology
- Journal of vision and research
- BMC journal of ophthalmology
- European Journal of Ophthalmology
- Case reports in ophthalmology
- Frontiers in surgery

- Associate editor of BMC ophthalmology journal (from 2019)

Textbooks:

- Orbital CT-scan (published in Farsi) (This book was accepted as the best book of Shams ophthalmic festival) 2013
- Translation of Orbit, eyelids, and Lacrimal system (American academy of ophthalmology section 7) in Farsi 2016
- Two chapter of integrated procedures in Facial cosmetic surgery (published by springer in 2021), I am correspondence author of these two chapters :2021,
- Orbital Imaging, Published in Farsi by SinaTeb,2021
- Eyelid and periocular rejuvenation, Published in Farsi by SinaTeb 2022 (this book is a result of collaboration between oculoplastic surgeons and dermatologists, I am editor of this book)

-

Book Rewards:

- Orbital CT-scan (published in Farsi) (This book was accepted as the best book of Shams ophthalmic festival) 2013

- Upper eyelid blepharoplasty, chapter number 45 of Integrated procedures in facial cosmetic surgeries Published by Springer, was accepted By Shams ophthalmic festival as best book chapter

Presentations

- Ptosis surgery techniques, invited lecture at ptosis workshop, annual meeting of Iranian society of ophthalmology (IRSO), November 2009
- Superior orbital fissure syndrome in herpes zoster ophthalmicus. oral presentation at IRSO annual meeting. November 2009
- Graves ophthalmopathy and glaucoma, invited lecture at Farabi annual seminar, May 2010
- Facial Anatomy and Aging, invited lecture at Annual seminar of nonsurgical facial rejuvenation, Hazratrasoul hospital, September 2010
- Orbital MRI. invited lecture at IRSO annual meeting, November 2010

- Eosinophilic granuloma: diagnosis and management. Oral presentation at IRSO annual meeting, November 2010
- Optic nerve glioma. invited lecture at IRSO annual meeting, November 2010
- Approach to lower eyelid malposition. Invited lecture at IRSO annual meeting, November 2010
- Facial rejuvenation: surgical approach. Instructional course director, Farabi eye hospital. October 2010
- Post traumatic orbital cellulitis. Invited lecture at Eye and trauma symposium, Farabi eye hospital, 2010
- Epiphora: causes and management. invited lecture at annual ocular nursing meeting. 2010
- Effect of mitomycin C on success rate in dacryocystorhinostomy with silicone tube intubation and improper flaps. Oral presentation at IRSO annual meeting 2010
- Medical treatment of Graves Ophthalmopathy. invited lecture at Graves ophthalmopathy symposium, Farabi eye hospital, 2010

- Panelist at head and neck trauma, Sina hospital, February 2011
- Orbital imaging, instructional course director. Farabi annual meeting, April 2011
- Lower eyelid blepharoplasty. invited lecture at Hazratrasoul annual meeting, Tehran, July 2011
- Botulinum toxin safety marketing and handling. Invited lecture at annual meeting of nonsurgical facial rejuvenation. HazratRasoul Hospital, Tehran. September 2011
- Orbital CT-scan. invited lecture at IRSO annual meeting, November 2011
- Facial rejuvenation: surgical approach, workshop director, IRSO annual meeting. November 2011
- Outcome of single initial probing in congenital nasolacrimal duct obstruction of older children. What are the prognostic factors? Oral presentation at IRSO annual meeting, November 2011

- The dacrycystorhinostomy and normalization time of conjunctival flora after successful surgery. Oral presentation at IRSO annual meeting. November 2011
- Aesthetic surgery of the face. Invited lecture at annual ENT society meeting, Tehran, 2011
- Lower lid blepharoplasty complications. invited lecture at annual ENT society meeting, Tehran, August 2011
- Carotid cavernous fistula: diagnosis and treatment. Invited lecture at Eye and trauma symposium, Farabi Eye hospital 2011
- Unusual presentation of Graves ophthalmopathy. invited lecture at Graves Ophthalmopathy symposium, Hazrat Rasoul Hospital, Tehran 2011
- Periorbital fat transfer. Invited lecture at Hazrat Rasoul annual meeting, Tehran, July 2012
- Cosmetic use of filler. Invited lecture at nonsurgical facial rejuvenation annual meeting, Hazrat Rasoul hospital September 2012

- Approach to facial nerve palsy. Invited lecture at IRSO annual meeting, October 2012
- Orbital trauma. instructional course director, IRSO annual meeting, October 2012
- Cosmetic use of botulinum toxin. invited lecture at IRSO annual meeting, October 2012
- Evaluations before upper face rejuvenation, invited lecture at IRSO annual meeting, October 2012
- Blow out fracture. invited lecture at periocular reconstruction, labafinejad hospital, February 2013
- Clinical approach to periocular infections: case presentation. Instructional course director, Farabi annual meeting, April 2013
- Periocular infection: microbiology and clinical course. Microbiology society annual meeting, Tehran, April 2013

- Orbital fractures. invited lecture at eye plastic and reconstructive surgery annual meeting, Guilan University, Bandaranzali, May 201P
- Panelist at controversies in ophthalmology, late probing versus intubation, Tehran, July 2013
- Panelist at upper face rejuvenation, ENT society annual meeting, Tehran, June 2013
- Upper lid blepharoplasty complications. Invited lecture at IRSO annual meeting, October 2013
- Orbital Imaging, invited lecture at IRSO annual meeting, Tehran, October 2013
- Orbital cellulitis, Invited lecture at IRSO annual meeting, Tehran,2013
- Lacrimal tubes in lacrimal surgeries, Invited Lecture at IRSO annual meeting, Tehran 2013
- Management of Entropion, Invited lecture at IRSO annual meeting, Tehran, October 2013

- Deep superior sulcus, Invited lecture at IRSO annual meeting, Tehran, October 2013
- Minimal Ptosis, Invited lecture at ISOPRS annual meeting, Mashhad, February 2014
- Posttraumatic orbital subperiosteal hematoma in children, poster presentation in AAO congress, Chicago, 2014
- **The dacrycystorhinostomy and normalization time of conjunctival flora, Free paper in WOC 2012, Abu Dhabi**
- Orbital fractures, invited lecture at ISOPRS annual congress, Tabriz, February 2015
- Panelist at upper face rejuvenation, Iran university annual meeting, July 2015
- Sebaceous cell carcinoma, Farabi Hospital tumor meeting, July 2015
- Complications of botulinum injection, invited lecture at Annual meeting of nonsurgical facial rejuvenation, Tehran, Hazrat Rasool hospital, September 2015
- Pathophysiology of aging, invited lecture at IRSO annual congress, December 2015

- Facial rejuvenation, Instructional course director at IRSO annual congress, December 2015
- Panelist at orbital trauma, IRSO annual congress, December 2015
- TED management, Endocrinology monthly seminar, Isfahan, November 2015
- Congenital NLDO, Pediatric Disease secession, Isfahan, February 2016
- Panelist at Eyelid malposition, annual seminar of Shahid Beheshti University, February 2016, Tehran
- Nonsurgical facial rejuvenation, workshop director, Farabi annual eye seminar, April 2016, Tehran
- Idiopathic orbital inflammation, Invited lecture at annual ISOPRS seminar, Shiraz, May 2016
- Panelist at lower lid blepharoplasty, Annual seminar oh Hazrat Rasool Hospital, July 2016

- Complications of facial filler injection, Invited lecture at annual nonsurgical facial rejuvenation seminar, Hazrat Rasool Hospital, Tehran, September 2016
- Thyroid Eye disease, Symposium director at IRSO annual congress, Tehran, December 2016
- Non-surgical management of TED, IRSO annual congress, Tehran, December 2016
- Congenital NLDO, invited lecture at IRSO annual congress, Tehran, December 2016
- Eyelid sebaceous cell carcinoma, invited lecture at IRSO annual congress, Tehran, December 2016
- Upper eyelid blepharoplasty: Tips and complications, Invited lecture at Maxillofacial annual congress, Tehran, February 2017, Tehran
- Blow out fracture; management and complications, Invited lecture at Maxillofacial annual congress, Tehran, February 2017

- Carotid cavernous fistula, Invited lecture at Shahid Beheshti annual seminar, Tehran, February 2017
- How to manage congenital NLDO, Invited lecture ,28th IRSO Congress,NOV 2018 , Tehran,Iran
- Key points in External DCR, Invited lecture ,27th IRSO congress,Dec 2017,Tehran ,Iran
- Clinical characteristics and treatment outcomes in patients with IOI, Oral Presentation, 27th IRSO congress,Dec 2017,Tehran ,Iran
- Moderator of workshop: nonsurgical facial rejuvenation, 27th IRSO congress,Dec 2017,Tehran ,Iran
-
- Moderator of Updates on Lacrimal drainage Obstruction session, 28th IRSO Congress,NOV 2018 , Tehran,Iran
- Complications of Upper lid Blepharoplasty, Invited lecture ,2th IRSO spring meeting, April 2018, Tehran,Iran
