

Curriculum Vitae

Name : Khosrou Naghibi M.D - Anesthesiologist
Professor of Anesthesiology and Intensive Care Isfahan, Iran(I.U.M.S)

Address : Khosrou Naghibi MD, Department of Anesthesiology and Intensive Care, Alzahra University Hospital, Isfahan, Iran

Phone - Email : Naghibi@Med.mui.ac.ir , Khmaghibi@gmail.com +98 9130609558
ORCID ID

PERSONAL INFORMATION

Date of birth: 11/11/1960 , Marid

EDUCATION

1980- 87	I.U.M.S, School of Medicine, Isfahan , Iran (M.D. Degree,1987).
1987 -90	Resident in Anesthesiology , I.U.M.S Hospitals,Isfahan, Iran.
1989-90	Chief Resident in Anesthesiology, I.U.M.S, Isfahan, Iran.
1990	Diploma from Iranian Board of Anesthesiology
2002	Clinical observer in St-George Hospital (NHS) , London, UK

Anesthesiology Dissertation: A study on children with status Asthmaticus and their management in ICU.

Academic and professional Appointments:

1990 - 91 : Director of Department of Anesthesiology and Reanimation, Faculty of Medicine, Kashan, Iran.

1993-97 Chairman. Anesthesiology and Reanimation ward, Farabi Medical

center, Isfahan , Iran.

1997-99 Chairman Anesthesiology and Reanimation ward, Feize Medical center, Isfahan , Iran.

1990-2004 Assistant Prof.of Anesthesiology, I.U.M.S, Isfahan , Iran.

1994-2017 Education director of the students of anesthesiology in I.U.M.S.

1999-2004 Member of the research expert council of I.U.M.S , Isfahan . Iran

2004-20017 Associate professor of anesthesiology, I.U.M.S, Isfahan , Iran.

2019 : Professor of anesthesiology, I.U.M.S, Isfahan , Iran.

GRANTS AND FELLOWSHIPS

observational fellowship in emergenci medicine and ICU in St George's Hospital Londone for six months 2001

RESEARCH EXPERIENCE

Monitoring in Anesthesia , Anesthesia for Orthopedic Surgeries ,Intensive care , Toxicology , Anesthesia for Emergency surgery and Trauma and Emergency Medicine in which I am highly interested in.

Professional Society Memberships:

Iranian Society of Anesthesiologists

TEACHING EXPERIENCE

nurse anesthesia edacationcoordinator in IUMS case report for residents of anesthesiology journal clas forresidents of anesthesiology

RELEVANT WORK EXPERIENCE

A study on children with status Asthmaticus and their management in ICU.

Academic and professional Appointments:

1990 - 91 : Director of Department of Anesthesiology and Reanimation, Faculty of Medicine, Kashan, Iran.

1993-97 Chairman. Anesthesiology and Reanimation ward, Farabi Medical center, Isfahan , Iran.

1997-99 Chairman Anesthesiology and Reanimation ward, Feize Medical center, Isfahan , Iran.

1990-2004 Assistant Prof.of Anesthesiology, I.U.M.S, Isfahan , Iran.

1994-2017 Education director of the students of anesthesiology in I.U.M.S.

1999-2004 Member of the research expert council of I.U.M.S , Isfahan . Iran

2004-20017 Associate professor of anesthesiology, I.U.M.S, Isfahan , Iran.

2019 : Professor of anesthesiology, I.U.M.S, Isfahan , Iran.

UNIVERSITY SERVICE

Monitoring in Anesthesia , Anesthesia for Orthopedic Surgeries ,Intensive care , Toxicology , Anesthesia for Emergency surgery and Trauma and Emergency Medicine in which I am highly interested in.

Professional Society Memberships:

Iranian Society of Anesthesiologists

PUBLICATIONS

Articles published in journals:

1. Naghibi KH. Oculocardiae Reflex. Case presentation and review article. Journal of Iranian Society of Ophthalmology No.4 , 70-72: 1997 .

2. Naghibi KH. Dr Saghaei , Dr Soltani . Anesthesia for Electroconvulsive Therapy, Comparison of STP VS midazolam.

Journal of Isfahan Medical School vol. 17, no. 54, : 82-85: 1999.

3 Naghibi KH. Dr Mortazavi ,Dr Rafiei ,Dr Monatzari

Effects of Dexamethasone plus Metoclopramid on postoperative vomiting after

strabismus surgery.

Research in medical sciences Journal of I.U.M.S, vol. 4, no. 4, Winter 2000.

4. Dr Atari, Naghibi KH, Dr Seyedain . Comparison of midazolam and Sodium thiopental for induction of anesthesia in Tonsillectomy . Research in Medical Sciences Journal of I.U.M.S, Vol. 4, no. 4, winter 2000.

5. Dr Martazavi , Naghibi KH. The incidence of vitreous loss in cataract surgery. Research in medical sciences Journal of I.U.M.S, Vol. 5, no. 1, Spring 2000.

6. Naghibi KH, Drs Akhtari . Attenuation of the pressor response to tracheal intubation by magnesium sulphate. Research in medical sciences Journal of I.U.M.S, Vol. 5, Supp. 1, Spring 2000.

7. Dr Mantazari , Naghibi KH, Dr Akhondi. Circulatory responses to laryngeal mask airway , face mask or tracheal intubation. Research in medical sciences Journal of I.U.M.S, Vol. 5, no. 1, Spring 2000.

8 – Dr. Atari , Naghibi KH , Dr. Farhanian , Dr. Kalani . Premedication in pediatric tonsillectomy , comparison of intranasal midazolam vs sufentanil .

Journal of Isfahan Medical School , vol. 18, no. 57, 2000.

9 – Naghibi KH, Dr. Mortazavi AA. . The incidence of postoperative nausea and vomiting due to Nitrous oxide in Dacryocystorhinostomy . Journal of Isfahan Medical School vol. 18, no. 59, 2001.

16- Naghibi KH, Abtahi D. The effect of Succinylcholine on serum potassium concentration in patients with chronic renal failure. The Journal of Mashhad University of Medical Sciences, Vol No 2002.

17- Naghibi Kh, Nowrozi M, Salehi MA, Zahernia Z, Tabatabaie SA. Magnesium Sulfate reduces postoperative pain and analgesic requirements after cholecystectomy. Research in medical sciences Journal of I.U.M.S, Vol. , no. , 2002.

18 – Lotfi AH, Saedabadi AR, Darabi ME, Naghibi KH. Prevention of postoperative stridor and laryngospasm with topical beclomethasone.

The Journal of Mashhad University of Medical Sciences, Vol No 2002.

19 -Khosrou Naghibi, Hamid Saryazdi, Parviz Kashefi, and Farnaz Rohani: The comparison of spinal anesthesia with general anesthesia on the postoperative pain scores and analgesic requirements after elective lower abdominal surgery: A randomized, double-blinded study: J Res Med Sci. 2013 Jul; 18(7): 543–548.

20 - Kashefi, Parviz; Naghibi, Khosrou; Fathi, Mojgan: Effects of Preoperative Infusion of Magnesium Sulfate on Postoperative Pain in Lower Abdominal Surgery. Journal of Isfahan Medical School . Feb 2013, Vol. 30 Issue 218, 2248-2259.

21 - Khosrou Naghibi, Parviz Kashefi, and Amir Mohamad Abtahi: J Res Med Sci: The comparison of preemptive effects of propofol, remifentanyl and ketamine on post-operative pain scores and analgesic requirements in elective lower abdominal surgery under general anesthesia: A randomized, double-blinded study: Journal of research of medical sciences

.

22 - Mehmandoost, Mahdieh; Naghibi, Khosrou: Journal of Isfahan Medical School . May 2013, Vol. 31 Issue 228, p265-273. 9p.

Comparative Study of the Effects of Two Anesthetic Methods with Propofol and Isoflurane on Mother's Awareness during the Operation and APGAR Score in the

Newborns Delivered by Elective Cesarean Section.

23 - Effect of pre-emptive magnesium sulfate infusion on the post-operative pain relief after elective cesarean section

Marzieh Rezae, Khosrou Naghibi,¹ and Ali Mohammad Taefnia²: Adv Biomed Res. 2014; 3: 164.

Adv Biomed Res. 2014; 3: 234.

24 - Awareness and apgar score in elective Cesarean section under general anesthesia with propofol or Isoflurane: A prospective, randomized, double-blinded clinical trial study

Somayeh Khanjani, Khosrou Naghibi,¹ and Hamed Azarnoush² : Adv Biomed Res. 2014; 3: 234.

25 - Prophylactic administration of aminophylline plus dexamethasone reduces post-dural puncture headache better than using either drug alone in patients undergoing lower extremity surgery

Khosrou Naghibi and Marzieh Hamidi¹: Adv Biomed Res. 2014; 3: 5.

26 - Prevention of postoperative nausea and vomiting with a subhypnotic dose of Propofol in patients undergoing lower abdominal surgery: A prospective, randomized, double-blind study

Khosrou Naghibi, Parviz Kashefi, Hamed Azarnoush,¹ and Parisa Zabihi¹ : Adv Biomed Res. 2015; 4: 35.

27 - Preemptive peritonsillar infiltration with bupivacaine in combination with tramadol improves pediatric post-tonsillectomy pain better than using bupivacaine or tramadol alone: A randomized, placebo-controlled, double blind clinical trial

Azim Honarmand, Mohammadreza Safavi, Khosrou Naghibi, Mohammadali Attari, Mojtaba Soltani, Mahsa Amoushahi, and Fatemeh Sadeghipanah: Adv Biomed Res. 2015; 4: 132.

28 - Preemptive morphine suppository for postoperative pain relief after laparoscopic cholecystectomy

Mojtaba Rahimi, Daryoush Moradi Farsani, Khosrou Naghibi, and Babak Alikiaii: Adv Biomed Res. 2016; 5: 57.

29 - A Comparison of Intravenous Ephedrine or Phenylephrine, for Prevention of Postspinal Hypotension during Elective Lower Abdominal Surgery: A Randomized, Double-blind Case-control Study

Khosrou Naghibi, Mojtaba Rahimi, and Zahra Mashayekhi¹ : Adv Biomed Res. 2017; 6: 60.

30 - STUDYING THE EFFECT OF INTRAVENOUS ACETAMINOPHEN AND DEXAMETHASONE ON POSTOPERATIVE HEADACHE AFTER CATARACT SURGERY UNDER SEDATION AND TOPICAL ANESTHESIA

Author(s): MORADI FARSANI DARIOUSH, NAGHIBI KHOSROU*, REZAEI NEJAD ZAHRA: ARAK M UNIVERSITY JOURNAL(AMUJ) OCTOBER 2017 , Volume 20 , Number 7 (124); Page(s) 89 To 97.

31 - EFFECTS OF AGE AND GENDER ON ACUTE POSTOPERATIVE PAIN AFTER CATARACT SURGERY UNDER TOPICAL ANESTHESIA AND SEDATION :

MORADI FARSANI DARIOUSH*, NAGHIBI KHOSROU, TAHERI SHIVA, ALIKIAII BABAK, RAHIMI V. JOURNAL OF ISFAHAN MEDICAL SCHOOL (I.U.M.S) 2ND WEEK MARCH 2017 , Volume 34 , Number 1, Page(s) 1627 To 1633.

32- The effect of age and sex on postoperative pain after deep vitrectomy : FD MORADI, F AKRAMI, K NAGHIBI, B ALIKIAII, B NAZEMORROAYA : 2017 : Amirkabir

33 - EFFECT OF SHORT TERM USE OF HEAD BAND ON POSTOPERATIVE PAIN AFTER CATARACT SURGERY : M Rahimi Varposhti, K Naghibi, D Moradi Farsani, S Mehdi Jazayeri : 2018 : The Journal of Urmia University of Medical Sciences.

34 - Tracheal sound analysis for automatic detection of respiratory depression in adult patients during cataract surgery under sedation: N Esmaeili, H Rabbani, S Makaremi, M Golabbakhsh, M Saghaei, ...

PRESENTATIONS AND POSTER SESSIONS

1. Naghibi KH. Anesthesia for ECT, a Comparison of STP VS midazolam. 5th Iranian Congress of anesthesiology and critical care , Iran, Tehran 30 April - 4 May 1998.
2. Naghibi KH. Dr Atari .Intranasal sufentanil and midazolam for premedication in children . 4th Iranian congress on Stress Iran, Tehran, 14-17 June 1999.
3. Naghibi KH, Dr Atari. Intranasal sufentanil and midazolam for premedication in children. 4th Iranian Congress on stress ,Iran Tehran, 14-17 June 1999.
4. Naghibi KH. Effect of dexamethasone plus metoclopramide on postoperative vomiting after strabismus surgery in children.The international congress of common medical and surgical pediatric problems 21st Commemoration congress in memory of professor Gharib, the founder of modern pediatrics in Iran.
Isfahan, Iran, May 9-14 1999.
5. Naghibi KH.Dr Montazari ,Dr Bordbar .Evaluation of hyperkalemia due to succinylcholine in chronic renal failure. Iranian 4th congress of organ Transplantation November 24-26 Isfahan, Iran, 1999.
6. Dr Montazari , Naghibi KH. ,Dr Bordbar . Prevention of metabolic acidosis during renal transplantation. Iranian 4th congress of organ transplantation. November 24-26 Isfahan , Iran. 1999.
- 7.Dr Montazari , Naghibi KH. Renal Preservation after kidney transplantation using furosemide or hypertonic saline. Iranian 4 th congress of organ transplantation November 24-26 , Isfahan, Iran 1999.
8. Naghibi KH. Psychological preoperative preparation in children. 6th annual meeting on mental health care Isfahan University, Isfahan - Iran Mar 6. 2000.
9. Naghibi KH. Fentanyl and midazolam in the management of general anesthesia for resection of pheocromocytoma.
Endocrine Tumors congress Tehran , Iran, Mar 6-9 2000.
10. Naghibi KH. ,Dr Yaraghi ,Dr Adibi . Hemoglobin and Hematocrit changes during

anesthesia. 6th Iranian congress of anesthesia and critical care Iran, May 3-5 2000.

11. Naghibi KH. , Effect of dexamethasone plus metoclopramide on postoperative vomiting after strabismus surgery in children. 6th Iranian congress of anesthesia and critical care Isfahan. Iran, May 3-5 2000.

12. Dr Mortazavi , Naghibi KH. .Incidence of vitreous loss in cataract surgery (General anesthesia VS local anesthesia) 6th Iranian congress of anesthesia and critical care Iran, May 3-5 2000.

13. Drs Akhtari , Naghibi KH. .Attenuation of the pressor response to tracheal intubation by magnesium sulphate. 6th Iranian congress of anesthesia and critical care Iran, May 3-5 2000.

14. Drs Talakoub , Naghibi KH. . Drs Hejazi . Studing the effects of adding ketamine to Bupivacaine in Extradural anesthesia. 6th Iranian congress of anesthesia and critical care Iran, May 3-5 2000.

15. Dr Salehi , Drs Zahernia , Naghibi KH. Magnesium sulphate reduces postoperative analgesic requirements. Iranian 6th congress of anesthesia and critical care Iran, May 3-5 2000.

16. Naghibi KH. , Mohazabnia P. A comparison prophylactic analgesic effects of Acetaminophen , Indomethacine and Ergotamine –C on postoperative headache. The First African Congress on Pain . 8 – 10 Nov. 2000, Alexandria, Egypt.

17- Maerofi V, Naghibi KH, Khadem P. Vaso Vagal syncope in Dental chair. The first congress of Iranian Academy of restorative Dentistry 16- 18 January 2002 kish, Iran.

PATENTS

Date, Item, number

RESEARCH INTERESTS

Monitoring in Anesthesia , Anesthesia for Orthopedic Surgeries , Intensive care , Toxicology , Anesthesia for Emergency surgery and Trauma and Emergency Medicine in which I am highly interested in.

TEACHING INTERESTS

morning in anesthesia

Anesthesia complications

Regional anesthesia

Total fat ravenous anesthesia

PROFESSIONAL MEMBERSHIPS

Iranian Society of Anesthesiologists

EXTRA CURRICULAR ACTIVITIES

Books Published:

1- Principles of Anesthesiology and Intensive Care (persian) Mani Publication , Isfahan ,Iran 2001.

2- Normal painless labor or Cesarean Section ?Which one is better ?
Farhang Mardom publication ,Isfahan ,Iran Winter 2001.

3- The Diagnosis and Treatment of Addiction. Farhang Mardom publication ,Isfahan ,Iran Spring 2002.

4- The principles of Monitoring in Poisoning and Emergency Medicine.Isfahan University of Medical Sciences publication 2002.

Supervision of thesis:

1. A Comparison study of Nitroglycerin VS Halothane for uterine relaxation in cesarean section. by Yosefzade A 1998.

2. A Study on effect of Magnesium sulphate administration on postoperative analysis requirements in patients undergoing cholecystectomy with general anesthesia. by Salehi MA, Zahernia Z 1998.

3. A study on the Incidence of vitreous loss in cataract surgery in general and local anesthesia. by Tavakolizadeh H, 1998.

4. A study on the effect of Dexamethasone plus metoclopramide on postoperative vomiting after strabismus surgery in children. by Eliasi M 1998.

5. A study on the role of Nitrous oxide anesthesia in postoperative nausea and vomiting after dacryocystorhinostomy. by porshabanan M. 1999
6. A study on the effect of adding ketamine to bupivacaine in Extradural anesthesia by Hejazian K 1999
7. A study on the hemoglobin and hematocrit changes during anesthesia by Yaraghi K 1999
8. A study on the attenuation of the pressor response to tracheal intubation by magnesium sulphate. by Akktari M, 2000.
9. A study on the Incidence of the postoperative headache after cataract surgery. by Moradi A 2000.
10. A comparison of prophylactic analgesic effects of Acetaminophen , Indomethacine and Ergotaminc-C on postoperative headache. by Mohazabnia P 2000.
11. A study of postoperative cough,sore throate and hoarsness after the use of saline or air to inflate the endotracheal tube cuff. By Sadeghi F,2000.
12. A study on the effects of lidocaine on the acute hemodynamic response to electroconvulsive therapy. By Yazdi M. 2001.
- 13 – A study on the effect of adding Fentanyl and Adrenaline to Xylocaine in Spinal anesthesia by Ghazizadeh B 2001.
- 14 – A study on the Cross Match to Transfusion Ratio in Alzahra General Hospital in spring 2001 by Hosseini Vahid.
- 15 –. A study on the role of Reverse (Atropine + Neostigmine)in postoperative nausea and vomiting after lower abdomen surgery by Badiiee nejade M 2002.
