

# In the name of GOD

*(Last updated: 24th, September, 2020)*

## **Personal Details**

**First name:** Gita

**Last name:** Faghihi Habibabadi

**Title:** MD. Board-certified Dermatologist

**Under graduate:** Isfahan University of medical sciences (1987-1994)

**Post graduate:** Isfahan University of medical sciences (1995-1999)

**Current institution:**

**Dermatology Department, Isfahan University of Medical Sciences. Isfahan, Iran**

**Current position:** Full professor, and the vice chancellor of research of the dermatology Department of Isfahan school of medicine.

**Service Years: 22 years**

## **Honors, Awards, Memberships, & Books:**

\*Ranked **2nd in the National competition Exam for university entrance among Iranian nominees of High school diploma in experimental sciences, in 1987 /1988** (Second top participant).

\*Ranked 1st in Medical Doctorate program of medicine exam in 1993

\*Ranked 1st in the national exam of graduated medical students 1994

\* Ranked 1st in the 18<sup>th</sup> National round of dermatology residents' promotion test in 1999 , also awarded for obtaining the score 136 out of 150 in Dermatology National Board certification examination(a very high score) among the whole nominees in Iran in 1999.

\* Ranked 1st in the 46<sup>th</sup> national Board certificate exam of dermatology in 1999.and also was awarded for the specialized certificate and dissertation across nationwide.

\* Membership of international society of dermatology [ISD (2001)].

\* Membership of International Academy of cosmetic dermatology in: 2002.

\*Membership of European academy of dermatology and venereology (EADV) in: 2002, 2003 &2004.

\* Awarded for the achievement of the title of: "Top Researcher in 2003-04 Academic year, in Isfahan University of Medical sciences.

\* Member of Editorial and Executive Boards of Iranian Journal of skin surgery [owned and published by: Isfahan society of dermatologists] from 2005 ongoing.

\* Member of organizing committee of Isfahan international congress of dermatology [held every two years (from 2006 /ongoing)].

- \* Member of the committee of “Certification Examination of Residents “in Isfahan University of Medical Sciences / (2006- Ongoing).
- \* Awarded by “A grant (750 euros) and free registration to 5th Int. Hair research Congress [2007 Canada] Awarded by European Hair Research Society.
- \* Awarded for 20000000 Iranian Rls., in 2007-08 as a research Grant for gaining the maximum point of the research leadership, by Isfahan University of medical sciences.
- \*The best Researcher of Isfahan University of Medical Sciences, Iran, among dermatology Professors in 2008 (and was awarded by the special prize of” gaining Maximum score of the promotion in the verification council”
- \* Humanitarian assistance and financial support for the treatment of poor and deprived patients donated in 2008 April to Sunnybrook Foundation –Toronto, Ontario Canada.
- \*Awarded for eclecticism among dermatologist practicing physicians in Isfahan Province by Society of dermatologists of Isfahan, in 2011-2012
- \* Edited and published A book [entitled: The practical guide to skin and hair diseases and cosmetic dermatology] in Persian, in: Isfahan/Iran.
- \* Member of referee Committee and peer reviewer of Indian Journal of dermatology (from 2016 onwards/).
- \*Member of Medical Graduates ‘Qualification Examination Committee of Isfahan University of Medical sciences (from Nov, 2018 onwards/).
- \* Member of referee Committee and peer reviewer of European Journal of Pediatric dermatology [*Invited by: Ernesto Bonifazi, Editor*] (from 2018 Dec. till now
- \*Member of the Board of Experts and Regional Assessment Specialist in Dermatology in Iran.
- \* Certified as: “Reviewer OF Journal OF Cosmetic Dermatology (WILEY publication Co.”(2 manuscripts in 2018)
- \*Member of referee Committee and peer reviewer of Dermatologic Therapy Journal of WILEY Co. Publishing (currently)
- \***AAD Membership 2019/2020 International fellow Member(currently).**

\*Member of referee Committee and peer reviewer of Evidence-Based Complementary and Alternative Medicine, Hindawi Publication (currently)

\*Member of referee Committee and peer reviewer of BMC Dermatology Journal (currently)

\* Member of referee Committee and peer reviewer of Journal of European Academy of Dermatology& Venereology (EADV .J.)(Currently)

\* Member of referee Committee and peer reviewer of Journal of research in Medical sciences (JRMS)/ Isf University Med. Sci .Iran Islamic Rep.)(Currently)

\*Attended in Scientific Workshop of Ethical aspects of Randomized clinical trials (How to write a Justified medical research proposal)(Aug ,2019)

\* Member of referee Committee and peer reviewer of “Clinical Case Reports journal”(Currently)

\* Member of referee Committee and peer reviewer of Dermatologic therapy Journal (currently) [Verification by:”Dr. Mehmet Melikoglu : Dermatologic Therapy”]

\* Member of referee Committee and peer reviewer of Journal of international medical research (currently).

\*Member of referee Committee and peer reviewer of Journal of Isfahan medical school (JIMS) (currently).

\*Member of Education & Research Committee of Isfahan Medical Council (Currently)

\*Member of referee Committee and peer reviewer of international Journal of dermatology and venereology (currently)

## **The Attendance/ Presentation in International Dermatology Congresses:**

- 1- Attendance in Congress of Dermatology News, Isfahan University of Medical Sciences, May, 2001. presented a poster: "Evaluation of oral vit. E in prevention of tretinoin side effects in Acne Vulgaris. "
- 2- Attendance in 20<sup>th</sup> world congress of dermatology [Paris-France 2002 JULY] and presented in poster: "Topical paromomycin vs. Intra lesional meglumine antimoniate in cutaneous leishmaniasis".
- 3- Attendance in 8<sup>th</sup> GCC dermatology and venereology conference in Kuwait Dec 2005, and presented an oral lecture: " The Prevalence and distribution of cutaneous symptoms of hypothyroidism."
- 4- Attendance in Fifth International congress of Hair research 2007 Vancouver-Canada, and, presented one lecture: efficacy of laser therapy in hirsute Iranian women and A poster :finasteride efficacy in male pattern baldness in Iranian men and meanwhile, accredited by 26 hours of AAD Category 1 CME credits.
- 5- Attendance in EADV 13th Congress Italy, Nov 2004 and presented two posters: 1) "Topical formic acid puncture in common warts 2) topical methotrexate gel in psoriasis."
- 6- Attendance in 17<sup>th</sup> EADV [Paris-France in Sep 2008] and , presented two posters: 1) laser therapy in hair removal, 2)paraneoplastic pemphigus with features of lichen planus and B-cell lymphoma .
- 7- Attendance in 18th EADV [Berlin-Germany Oct 2009] and,presented: three posters : 1) MF cases of cutaneous lymphomas , 2) Efficacy of conjugated estrogen and clobetasole ointment in vitiligo,3) efficacy of acyclovir therapy in pemphigus vulgaris.
- 8- Attendance in: HAIRCON 2011 [in Mumbai-India] with an oral lecture: The efficacy of adding adenosine 0.75% into solution of minoxidil in androgenetic alopecia patients.
- 9- Attendance in world congress of Minimal invasive plastic surgery and dermatology,[Seoul South Korea Sept .2012] , and presented : 1) efficacy of Intense pulsed light with topical erythromycin lotion in persistent erythematous facial acne macules .
- 10-Attendance in 23th EADV, Amsterdam, Netherland.2014 presented a poster: "Skin necrosis associated with interferon beta-1b injection in multiple sclerosis. "

11- Attendance in the 2<sup>nd</sup> National Iranian congress of dermatologic surgery [May 2016,(Isfahan/Iran)], and presented an oral lecture :”Laser and RF therapy for acne scarring.

12- presentation: Efficacy of fractionated microneedle radiofrequency with and without adding subcision for the treatment of atrophic acne scars: A Randomized Split-face clinical study. [September] 26<sup>th</sup> EADV Geneva Switzerland 2017.

13- Attendance in the Third National Iranian congress of dermatologic surgery [Jan 2018, (Isfahan/Iran)], and presented an oral lecture:” What’s new in the management of acne scarring”.

14-Attendance in “IMCAS World Congress” (Paris/France) 2018: 1-3 Feb.

15- Attendance in a 7-day workshop of “Professionalism for undergraduates and post-graduates of medicine” in Isfahan University of medical sciences .Nov, 2018.

16- Attendance and active participation as scientific congress secretary in the Fourth National Iranian congress of dermatologic surgery [April 24-26, 2019, (Isfahan/Iran)], and presented an oral lecture:” acne scarring news and updates”.

17-Acceptance of e-poster presentation and invited to be a co-chair for a scientific session in the 24<sup>th</sup> World Congress of dermatology (Milan-Italy) 2019, June 10-15.

18-Active participation as lecturer and poster presenter in World congress of Dermatology Milan Italy 2019/ June.

19- Attendance and active participation in workshop of ethical committee of Isfahan University of medical sciences entitled:” ethics in biomedical researches” [Aug, 2019].

20- Teaching and active participation in the workshop of scientific trips report of professors and researchers in Isfahan university of medical sciences [(First time presented ; Sept.2019)]

21- Active participation as lecturer in Tehran { Razi congress & Annual meeting of Iranian soc. dermatol.} Olympic hotel ( seq ..aban 98 & Dey 98 [ equil.. Nov 2019 ,Jan 2020]) presentation :entitled: melisma and how to manage acne patients.

22- Active participation with presentation as lecturer in: BIODERMA Company Webinar (updates on Acne and rosacea) May 29, 2020. Iran Local time: 18:00-19:30 .

## **International observation or Master courses and or fellowships:**

**\*Hair transplantation (FUE/FUT) :** observation course with Dr Mysore Venkatram (Hair transplant surgeon-Bangalore/ India/ for one week in 2008) and A 5-day observational course:[ in 2007 (Toronto-Canada) ]with Professor Walter P. Unger clinical professor of dermatology in Mont Sinai [New York] & Johns Hopkins[Baltimore].

**\*upper & Lower eyelid rejuvenation and surgical blepharoplasty:** A two-week observational course with Professor James H. Oestreicher [associate professor of Toronto university] in 2007 in Toronto-Canada.

**\*Radiesse® filler injection technique:** [participated in the workshop By :MERZ company July 2012, Isfahan/Iran.

**\* Silhouette soft Thread lift Two workshops :** [one : in July 14<sup>th</sup> 2016 ;Held in Iran, by Dr. Franco Vercesi [Plastic surgeon) and the other one: held in September 9<sup>th</sup> 2017 ,Paris, France ,by: Dr. Vladimir STOJILJKOVIC'. [Sponsored by SINCLAIR Company].

**\* ELLANSE® filler injection technique:**[participated in the workshop held by : SINCLAIR company in Paris,France, 2017 .9<sup>th</sup> Sept , by: Dr Vladimir STOJILJKOVIC'.

**\*Liposuction technique (LIPOSAT POWER CONFIGURATION®):**[Participated in a workshop held by:Moller Medical in Iran/Isfahan,Nov 1<sup>st</sup> -3<sup>rd</sup> 2017.demonstrated By : Dr Alexander Aslani.

**\*Vascular lasers (Duetto MT Alex/ Nd:YAG) :** [Participated in a Workshop held by: Parsian Laser Espadana in Isfahan/Iran 12<sup>th</sup> Oct 2018 and demonstrated By: Dr M .Akhavan Vascular surgeon.]
