

Curriculum Vitae

Name Hossein Mahjobipoor
Address Alzahra Hospital
Phone – Email 09131130419- hossein.mahjobi@med.mui.ac.ir
ORCID ID 0000-0002-7545-9436

PERSONAL INFORMATION

- **Birth Date:** 25 - March - 1965
- **Marital status:** Married

EDUCATION

- **Sep 2011** Fellowship of Intensive Care and Anesthesiology, Esfahan University of Medical Sciences, Esfahan, Iran
Thesis Title: “The effect of lidocaine on reducing the tracheal mucosal damage following tracheal intubation”
- **2003 -2006** Specialty in Anesthesiology, Gilan University of Medical Sciences, Gilan, Iran.
Thesis Title: “Evaluation of compliance with anesthesia standards in operating rooms of Rasht in 2014”
- **1988- 1995** General Medicine, Najafabad Azad University, Isfahan, Iran
Thesis Title: “Investigation of benign Bone tumors in Shariati Hospital”

RESEARCH EXPERIENCE

- Reviewer of “Journal of Research in Medical Sciences”

TEACHING EXPERIENCE

Dates, Title, University/organization, Course/s taught, description of duties

- Maxillofacial Surgery fellowship’s and Emergency Medicine Residents’ Instructor at Isfahan University of Medical Sciences
- Anesthesiology MSc Students’ Instructor at Isfahan University of Medical Sciences
- Anesthesiology BSc Students’ Instructor at Isfahan University of Medical Sciences
- ICU’s nurses Instructor at Amin Hospital. Isfahan University of Medical Sciences

RELEVANT WORK EXPERIENCE

- 2014 until now Member of the working group to improve the services of the ICU departments of the province in the vice president of treatment
- 2012 until now Advisor to the Deputy Minister of treatment of the province
- 2011 until now Accreditation expert of ICUs of the province
- 2013-2017 The Secretary of the Error and Risk Committee of the Vice President of Treatment of the University of Medical Sciences
- 2013-2017 Scientific head of ICUs of Amin Hospital
- 2012-2018 Member of the scientific committee of Amin Hospital
- 2010-2011 Treatment director of Isfahan University of Medical Sciences
- 2008-2010 Head of Amin Hospital in Isfahan
- 2006-2008 Directorship of Lenjan Martyrs Hospital in Zarinshahr

PUBLICATIONS

Bibliographic format

Books

1. 2020- Improving the quality of services in the ICU
2. 2019- Handbook of Corona Virus-19: Prevention and Treatment
3. 2007- Editor of the book "Principles of nutrition for patients hospitalized in ICU" (Spring) Publisher: Mehramir al-Momenin (a.s.).
4. A Review of pulmonary function tests (PFT) in Anesthesia

Journal Paper

1. Shetabi H, Nazemroaya B, Mahjobipoor H, Majidi S. Comparative study of the effect of two different doses of intravenous labetalol on the cardiovascular response to endotracheal extubation. *Journal of Cardiovascular and Thoracic Research*. 2023;15(2):98-105.
2. Sami R, Mousavi FA-S, Mahjobipoor H, Soltaninejad F, Naderi Z. Factors Affecting Incidence of Ventilator-Associated Pneumonia with Multidrug-Resistant Microbes in Intensive Care Unit. *Infectious Diseases in Clinical Practice*. 2023;31(1): e1171.
3. Haghghat S, Mahjobipoor H, Gavarti SG. Comparative study of the effect of three oral care protocols on ventilator-associated pneumonia in critically ill patients: A clinical trial. *Iranian journal of nursing and midwifery research*. 2022;27(2):99.
4. Mahjobipoor H, Sajadi M, Honarmand A, Rahimi-Varposhti M, Yadegari S, Fattahpour S, et al. Prevalence incidence and clinical outcome of Klebsiella and Acinetobacter ventilator-associated pneumonia. *Immunopathologia Persa*. 2022;9(1): e34412-e.
5. Mahjobipoor H, Sajadi M, Honarman A, Rahimi-Varposhti M, Yadegari L, Attarzadeh A, et al. A comparison of disk diffusion method and E-test in determining the susceptibility and resistance of Klebsiella and Acinetobacter strains to cefepime in patients with ventilator-associated pneumonia admitted to the intensive care unit. *Immunopathol Persa*. 2022;8.
6. Alikiaii B, Abbasi S, Khatib N, Hashemi ST, Mahjobipoor H. Comparison of Two Modes: "Pressure-Regulated Volume-Controlled" and "Adaptive Support Ventilation" in Intensive Care Units' Patients. *Journal of Isfahan Medical School*. 2022;40(667):231-9.
7. Haji Gholamisaryazdi H, Moradi Farsani D, Hoseini SS, Mahjubipour H. Comparison of the effects of two drug combinations metoclopramide-acetaminophen, and metoclopramide-ketamine on postoperative pain, nausea, and vomiting after deep vitrectomy surgery- A randomized controlled clinical trial. *Koomesh journal*. 2022;24(6):796-806.
8. Mahjobipoor H, Rahimi-Varposhti M, Shetabi H, Heidari S. Predictive factors of deep vein thrombosis in patients admitted to intensive care unit. *Tehran University of Medical Sciences Journal*. 2021;78(12):828-34.

9. Fattahpour S, Mahjobipoor H. The use of mobile applications in the management of patients in the intensive care unit: a review study. *Journal of Biomedical Physics & Engineering*. 2021;11.
10. Abbasi S, Naderi Z, Amra B, Atapour A, Dadkhahi SA, Eslami MJ, et al. Hemoperfusion in patients with severe COVID-19 respiratory failure, lifesaving or not? *Journal of research in medical sciences: the official journal of Isfahan University of Medical Sciences*. 2021;26.
11. Mahjoubipour H, Rahimi M, Shetabi HR, Paeinmahali A. Assessment of the etiology of prerenal acute kidney injury and rhabdomyolysis in intensive care unit. *Journal of Isfahan Medical School*. 2019;36(506):1472-8
12. Mahjobipoor H, Jahanian A. The precision of mortality prediction by a novel checklist (M score) compared with well-known scoring systems in non-trauma patients in intensive care unit. *Journal of Isfahan Medical School*. 2019;37(522):342-9.
13. Atashi V, Yousefi H, Mahjobipoor H, Bekhradi R, Yazdannik A. Effect of oral care program on prevention of ventilator-associated pneumonia in intensive care unit patients: a randomized controlled trial. *Iranian journal of nursing and midwifery research*. 2018;23(6):486.
14. Atashi V, Yousefi H, Mahjobipoor H, Yazdannik A. The barriers to the prevention of ventilator-associated pneumonia from the perspective of critical care nurses: A qualitative descriptive study. *Journal of clinical nursing*. 2018;27(5-6): e1161-e70.
15. Khaky B, Yazdannik A, Mahjobipoor H. Evaluating the efficacy of nanosil mouthwash on the preventing pulmonary infection in intensive care unit: a randomized clinical trial. *Medical Archives*. 2018;72(3):206.
16. Habibzadeh M, Shafa A, Mansouri E, Mahjoubipour H. Comparing the effects of pantoprazole and ranitidine on serum magnesium level in children admitted to pediatric intensive care unit. *Journal of Isfahan Medical School*. 2017;35(420):157-62.
17. Abbasi S, Mahjobipoor H, Kashefi P, Massumi G, Aghadavoudi O, Farajzadegan Z, et al. The effect of lidocaine on reducing the tracheal mucosal damage following tracheal intubation. *Journal of research in medical sciences: the official journal of Isfahan University of Medical Sciences*. 2013;18(9):73

PRESENTATIONS AND POSTER SESSIONS

- 2021 The 4th Shiraz International Congress on Mobile Health The use of mobile applications in the management of patients in the intensive care unit: a review study
- 2020 7th international congress on critical care “Evaluation on the charges of the treatments of ventilation associated pneumonia in patients admitted in intensive care unit of Amin hospital in 2015-2016”
- 2020 7th international congress on critical care “The Precision of Mortality Prediction in M Score Compared with Well-Known Scoring Systems (APACHE II, and SOFA) in Non-Traumatic Patients of an Intensive Care Unit in Iran”
- 2020 7th international congress on critical care “Evaluation of Disk Diffusion Agar in Comparison with E- test in Determination of Susceptibility and Resistance of Klebsiella and Acinetobacter Strains to Cefepime in Patients with Ventilator Associated with Pneumonia in ICU”
- 2019 6th international congress on critical care “Assessment of the Etiology of Prerenal Acute Kidney Injury and Rhabdomyolysis in Intensive Care Unit”

RESEARCH INTERESTS

- ICU Management
- Improving the quality of current processes

TEACHING INTERESTS

- Documenting work processes
- Balanced Strategy Management (BSM)

PROFESSIONAL MEMBERSHIPS

- Member of the Iranian Society of Anesthesiology and Critical Care
- Member of Anesthesiology and Critical Care Research Center
