

## *Curriculum Vitae*

**Name:**

Mahdi Motififard

**Address**

kashani hospital

**Phone - Email**

03136202085

Motififard@med.mui.ac.ir

**ORCID ID**

0000-0003-2597-3063

## **PERSONAL INFORMATION**

---

Date of Birth    23 August 1960

Place of Birth    Isfahan

Citizenship        Iran

Home Address    Isfahan , Iran

Cell Phone         00989131114213

Married with 2 children

## **EDUCATION**

---

Most recent

Date, Degree/Course, Department/University, Dissertation title

- 1988 - 1992  
Medical University of Isfahan-Iran  
Residency of orthopaedy
- 1979 - 1987  
Medical University of Isfahan-Iran  
Medical student and Intership
- 1972 - 1978  
school  
Natural science Diploma

## **GRANTS AND FELLOWSHIPS**

---

Date, Name, Significant info., Amount

1378-1379   joint replacement

## RESEARCH EXPERIENCE

Date, Title, University/organization, Description

## TEACHING EXPERIENCE

---

Dates, Title, University/organization, Course/s taught, description of duties

- Orthopedics residents' Instructor at Isfahan University of Medical Sciences
- Member of Examination Committee of Promotion Marks, Orthopedics Department, Isfahan University of Medical Sciences
- Director of Orthopedic Department of Isfahan University of Medical Sciences

## RELEVANT WORK EXPERIENCE

---

Dates, Title, University/organization, Description

- Employer: Isfahan University of Medical Sciences, Faculty of Medicine  
Position: Director of Orthopedics Department
- Employer: Self-Employed - private office  
Position: Orthopedic specialist

## UNIVERSITY SERVICE

---

Dates, University/organization, Description

- Director of the Department of Orthopedics, Faculty of Medicine, Isfahan University of Medical Sciences
- Orthopedics residents' and Interns' Instructor at Isfahan University of Medical Sciences
- Test Holder / Member of Examination Committee of Promotion Marks, Orthopedics Department, Isfahan University of Medical Sciences

## PUBLICATIONS

---

Bibliographic format

### Books

- Orthopedic surgery of the knee, Campbell 2021, Isfahan, 000000 publications, 2021, (0000 pages)
- Orthopedic urgency
- Gard line of Total hip Arthroplasty for patient

### Journal Papers

- Length of stay in patients undergoing total knee Arthroplasty , Journal of Orthopaedics 2022
- No difference between wound closure in extension or flexion for range of motion following total knee arthroplasty: a randomized clinical trial , Knee Surgery, Sports Traumatology, Arthroscopy 2016
- Ultrasound guided platelet-rich plasma injection for the treatment of rotator cuff tendinopathy , Advanced Biomedical Research 2016

- Role of point-of-care ultrasonography (POCUS) in the diagnosing of acute medial meniscus injury of knee joint , Ultrasound Journal 2016
- causes and rates of revision total knee Arthroplasty , Advanced Biomedical Research 2016
- Prevalence of Bacterial surgical site infection in traumatic patients undergoing orthopedic surgeries: a cross-sectional study , International Journal of Burns and Trauma 2021
- Intraneural cavernous hemangioma: a rare case of extrafascicular left ulnar nerve tumor, American Journal of Blood Research 2021
- Determining the relation between total knee arthroplasty surgery site drainage in two weeks after surgery with periprosthetic joint infection (PJI) in two years , Burns & Trauma 2021
- Management of orthopedic patients during COVID-19 outbreak , International Journal of Burns and Trauma 2020
- IJBT0115827 Case Report Periosteal chondroma of pelvis - an unusual location , International Journal of Burns and Trauma 2020
- Periosteal chondroma of pelvis - an unusual location , International Journal of Burns and Trauma 2020
- Nanostructure, Molecular Dynamics Simulation and Mechanical Performance of PCL Membranes Reinforced with Antibacterial Nanoparticles , Journal of Applied and Computational Mechanics 2021
- A polycaprolactone bio-nanocomposite bone substitute fabricated for femoral fracture approaches: Molecular dynamic and micro-mechanical Investigation, Journal of Nanoanalysis 2019
- Where does magnetic resonance imaging stand in the diagnosis of knee injuries? , Journal of Research in Medical Sciences 2016
- Unicameral bone cyst of the proximal tibia in a five year old girl , Journal of Research in Medical Sciences 2012
- Plantar fasciitis , Journal of Research in Medical Sciences 2012
- Preemptive injection of periarticular multimodal drug for postoperative pain management in total knee arthroplasty: a doubleblind randomized clinical trial , International Orthopaedics 2017
- A porous polymer hydroxyapatite scaffold used for femur fractures treatment: fabrication, analysis, and simulation, European Journal of Orthopaedic Surgery & Traumatology 2020
- Effect of Patellar Electrocautery Neurectomy on Postoperative Pain among Patients Referred for Total Knee Arthroplasty, Advanced biomedical research 2018
- A Large Primary Subcutaneous Hydatid Cyst in Proximal Thigh: An Unusual Localization, Advanced biomedical research 2018
- Outcomes of Unilateral Total Hip Arthroplasty in Patients Aged Under 35 Years in Iranian Population: A Preliminary Study, Advanced biomedical research 2018
- Relationship between Bone Mineral Density and Serum Vitamin D with Low Energy Hip and Distal Radius Fractures: A Case-Control Study , Archives of Bone and Joint Surgery-Abjs 2017

## **PRESENTATIONS AND POSTER SESSIONS**

Bibliographic format

---

## **PATENTS**

Date, Item, number

---

## **RESEARCH INTERESTS**

---

Research area

- Degenerative joint diseases
- Arthroplasty

## **TEACHING INTERESTS**

---

Class title or subject

- Overview of fractures and their treatment
- General principles of inflammatory and degenerative joint diseases and their treatment in different stages of the disease
- Arthroplasty of hip & knee

## **PROFESSIONAL MEMBERSHIPS**

---

Date, Title, association

- Member of AO since 0000
- Member of Iranian Orthopedic Association since 0000
- Member of board of directors of Isfahan Orthopedic Association since 0000

## **EXTRA CURRICULAR ACTIVITIES**

---
