

CV

I am Dr. Arash Hedayat, born in 1368 (1989) in Isfahan. After passing the national university entrance exam (Konkoor) in 1386, I studied medicine for seven years at Shahrekord University of Medical Sciences. In 1394 , I was admitted to the specialized program in Internal Medicine at Isfahan University of Medical Sciences, where I worked and studied for four years. In 1398, I was accepted into the subspecialty program in Adult Hematology and Oncology at Isfahan University of Medical Sciences. After completing my training, I achieved first place nationwide in the medical board certification exam. Since 1403, I have been working as an Assistant Professor at Isfahan University of Medical Sciences."
