

## *Curriculum Vitae*

**Name:** Azam Teimori

**Address:** Al-Zahra Hospital

Isfahan University of Medical Sciences

**Phone – Email:** 09131142012      a\_teimouri@med.mui.ac.ir

**ORCID ID :** 0000-0001-9703-6779

### **PERSONAL INFORMATION**

---

Date of birth, Marital statuses, ...

- **Birth Date:** 26 March 1970
- **Marital status:** Married

### **EDUCATION**

---

Most recent

Date, Degree/Course, Department/University, Dissertation title

- **2013-2015** Fellowship of Gastroenterology and Hepatology, **Tehran University of Medical Sciences**, Tehran, Iran
- **1999-2003** Specialty in Internal medicine, **Shahid Beheshti University of Medical Sciences**, Tehran, Iran
- **1989-1997** General Medicine, Isfahan University of Medical Sciences, Isfahan, Iran

## **GRANTS AND FELLOWSHIPS**

---

Date, Name, Significant info., Amount

**2013-2015** Fellowship of Gastroenterology and Hepatology, **Tehran University of Medical Sciences**, Tehran, Iran

- **1999-2003** Specialty in Internal medicine, **Shahid Beheshti University of Medical Sciences**, Tehran, Iran
- **1989-1997** General Medicine, Isfahan University of Medical Sciences, Isfahan, Iran

## **RESEARCH EXPERIENCE**

---

Date, Title, University/organization, Description

- 1- Member of Metabolic liver disease research center , Isfahan University of Medical Sciences, Isfahan, Iran . since 2020
- 2- Isfahan Gastroentrolgy and Hepatology Research Center , Isfahan University of Medical Sciences, Isfahan, Iran. Since 2015

## **TEACHING EXPERIENCE**

---

- Assistant Professor of Internal medicine at Isfahan University of Medical Sciences ,since 28 Sep 2009-2015.
- Assistant Professor of Gastroenterology and Hepatology at Isfahan University of Medical Sciences ,since 28 Aug 2015.

## **RELEVANT WORK EXPERIENCE**

## **PRESENTATIONS AND POSTER SESSIONS**

---

### Bibliographic format

- 1-Effect of iron deficiency anemia treatment on hemoglobin ALC in diabetic and non diabetic,  
The first international and the third national congress on endocrine and metabolism news,3 Nov-3Dec 2010.
- 2- Management of thrombosis in cirrhotic patients,The 20th Congress of Gastrointestinal and Liver Diseases of Iran,16-20 Nov 2020.
- 3-Assessment of the correlation between sleep quality and gastroesophageal reflux among medical students, The 20th Congress of Gastrointestinal and Liver Diseases of Iran, 16-20 Nov 2020.
- 4- Cardiovascular risk factor among non alcoholic liver disease patients with diabetes mellitus, The 13 international congress of endocrine disorders,10-12 Nov 2021
- 5-Prevalence of prediabetes &Cardiovascular risk factor in non alcoholic liver disease patients, The 13 international congress of endocrine disorders,10-12 Nov 2021.
- 6- Decompensated cirrhosis and COVID 19-9 ,a report of two cases, The 20th Congress of Gastrointestinal and Liver Diseases of Iran,16-20 Nov 2020.
- 7- Severe acute hepatitis in a COVID -19 patient A case report, The 21th Congress of Gastrointestinal and Liver Diseases of Iran,16-19 Nov 2021.
- 8- The evaluation of rubber band ligation compared with topical medical treatment in symptomatic bleeding internal hemorrhoids, The 21th Congress of Gastrointestinal and Liver Diseases of Iran,16-19 Nov 2021.
- 9- Assessment of the ( correlation between sleep quality and irritable bowel syndrome (IBS) among medical students, The 21th Congress of Gastrointestinal and Liver Diseases of Iran,16-19 Nov 2021.
- 10- Evaluation of irritable bowel syndrome prevalence in medical students , The 21th Congress of Gastrointestinal and Liver Diseases of Iran,16-19 Nov 2021.
- 11- liver disease and pregnancy , The 21th Congress of Gastrointestinal and Liver Diseases of Iran,16-19 Nov 2021.
- 12- Prevalence of dyslipidemia and hypertension in newly diagnosed type 2 diabetes patients, 7th International Congress of Endocrine Diseases,9-11 Oct 2004.
- 13- Prevalence of retinopathy in newly diagnosed type 2 diabetes patients, 7th International Congress of Endocrine Diseases,9-11 Oct 2004.
- 14- Evaluation of random urine albumin to creatinine measurement method in diabetic nephropathy screening, The first conference on endocrine and metabolism news,31 Oct-1 Nov 2007.
- 15- The effect of the quality of care in newly diagnosed diabetic patients in the screening plan on controlling the risk of heart diseases, , The first conference on endocrine and metabolism news,31 Oct-1 Nov 2007.

## **PATENTS**

---

Date, Item, number

## **RESEARCH INTERESTS**

---

Gastroentrolgy and Hepatology

## **TEACHING INTERESTS**

---

Gastroentrolgy and Hepatology

## **PROFESSIONAL MEMBERSHIPS**

---

### Professional Profile

#### Academic Employment – Teaching and Research

- September 2009 – August 2013. Internal Medicine Specialist; Assistant Professor, Alzahra Hospital, Isfahan University of Medical Sciences, Isfahan, Iran.
- September 2015 – February 2018. Assistant Professor of Gastroenterology and Hepatology, Khorshid Hospital, Isfahan University of Medical Sciences, Isfahan, Iran.
- March 2018 – Present. Assistant Professor of Gastroenterology and Hepatology, Alzahra Hospital, Isfahan University of Medical Sciences, Isfahan, Iran.

Responsibilities

Achievements

## Employment History – General

- May 1997 – November 1998. General Physician, Ardestan Hospital, Isfahan, Iran.
- February 2004 – October 2007. Internal Medicine Specialist, Sedighe Tahere Endocrinology and Metabolism Research Center, Isfahan, Iran.
- November 2007 – September 2009. Internal Medicine Specialist, Sa'di Hospital; Baharestan Hospital (family clinic)
- September 2009 – August 2013. Internal Medicine Specialist; Assistant Professor, Alzahra Hospital, Isfahan University of Medical Sciences, Isfahan, Iran.
- September 2015 – February 2018. Assistant Professor of Gastroenterology and Hepatology, Khorshid Hospital, Isfahan University of Medical Sciences, Isfahan, Iran.
- March 2018 – Present. Assistant Professor of Gastroenterology and Hepatology, Alzahra Hospital, Isfahan University of Medical Sciences, Isfahan, Iran.
