

Mehdi Jafarzadeh, DDS, MS

School of Dentistry – Isfahan University of Medical Sciences

Phone: +98 913 313 6482

Email: mejsamani@yahoo.co.uk

m_jafarzadeh@dnt.mui.ac.ir

Education

- Master of Science (MS) in Pediatric Dentistry, Shahid Beheshti University of Medical Sciences, 2002, Tehran, Iran.
- Pediatric Dentistry Residency (within MS Program), Shahid Beheshti University of Medical Sciences, 1999-2002, Tehran, Iran.
- Doctor of Dental Surgery, Isfahan University of Medical Sciences, School of Dentistry, 1999, Isfahan, Iran.

Research Profiles

<https://scholar.google.com/citations?user=cstGPyMAAAAJ&hl=en&oi=ao>

<https://orcid.org/0000-0001-8637-9979>

<https://www.researchgate.net/profile/Mehdi-Jafarzadeh-2>

Academic Positions

Associate professor *2016–present*
Department of pediatric dentistry. School of dentistry – Isfahan university of medical sciences.

Assistant professor *2002 - 2016*
Department of pediatric dentistry. School of dentistry – Isfahan university of medical sciences.

Faculty member *2015– present*
Torabinejad Dental Research Center, School of dentistry – Isfahan university of medical sciences.

Achievements

- Ranked 3rd in The Iranian National Dental Board Exam, Pediatric Dentistry 2002, Tehran, Iran.
- Ranked 2nd in the Residency Program, Department of Pediatric Dentistry, Shahid Beheshti University of Medical Science, 2002, Tehran, Iran.
- Winer of the best Thesis in Pediatric Dentistry 3rd Hedayat Scientific Festival, 2002, Tehran, Iran.

Administrative Positions

- Associate to the Head of Department, Department of Pediatric Dentistry, School of Dentistry, Isfahan University of Medical Sciences 2005.
- Head of Department, Department of Pediatric Dentistry, School of Dentistry, Isfahan University of Medical Sciences 2007.

- Associate to the Head of Department, Department of Pediatric Dentistry-School of Dentistry, Isfahan University of Medical Sciences 2010.
- Associate Dean of Student Affairs, School of Dentistry-Isfahan University of Medical Sciences 2014.
- Associate Dean of Education, School of Dentistry, Isfahan University of Medical Sciences 2015.
- Head of Department, Department of Pediatric Dentistry. School Of Dentistry-Isfahan University of Medical Sciences 2018.
- Director of Supply Chain and Purchasing, School of Dentistry, Isfahan University of Medical Sciences 2005.
- Director of Information Technology, School of Dentistry, Isfahan University of Medical Sciences 2007.
- Secretary of Automation Committee, School of Dentistry, Isfahan University of Medical Sciences 2008.
- Member of Accreditation Committee, School of Dentistry, Isfahan University of Medical Sciences.
- Member of the Board of Examiners for National Dental Residency Program, Ministry of Health, Treatment and Medical Education Iran 2018.
- Secretary of the Board Examiners for National Dental Residency Program, Ministry of Health, Treatment and Medical Education Iran 2018.
- Academic Advisor for Students of School of Dentistry, Isfahan University of Medical Sciences 2004.
- Member of Board of Examiners for English Language Test. Recruitment Exam for Faculty Members. School Of Dentistry, Isfahan University of Medical Sciences 2018.
- Evaluator of Ministry of Health, Treatment and Medical Education (behdasht.gov.ir) For Accreditation of Shahrekord School of Dentistry 2018.
- Evaluator of Ministry of Health, Treatment and Medical Education for Accreditation of Dental Assistant Program 2021.
- Advisor to the Dean and Member of Policy Making Committee, School of Dentistry-Isfahan University of Medical Sciences 2013.
- Member of Strategic Planning for Quality Improvement and Organizational Excellence. School of Dentistry, Isfahan University of Medical Sciences 2015.
- Member of Education Development Organization, School of Dentistry, Isfahan University of Medical Sciences 2011.
- Member of the Committee for Administrative Suggestion System. School Of Dentistry, Isfahan University of Medical Sciences 2008.
- Member of Scientific Committee, 10th Motahari Education Festival 2016.
- Member of Scientific Committee, 11th Motahari Education Festival 2017.
- Member of Specialized Working Group for Virtualization of Dental Student's Curriculum Program. School of Dentistry, Isfahan University of Medical Sciences 2021.
- Member of Accreditation and External Evaluation Committee for Dental Schools of Iran 2018.
- Member of Specialized Working Group of Virtual Education for Pediatric Dentistry Program 2020.
- Member of the Core of Counseling for Educational Achievement, For Students of Dentistry. School of Dentistry, Isfahan University of Medical Sciences 2018.
- Student Advising Professor, School of Dentistry, Isfahan University of Medical Sciences 2021.

Presentations

1. Mehdi Jafarzadeh, *Comparison of postoperative effect of ondansetron and midazolam on nausea and vomiting for children receiving dental treatment under general anesthesia*, 16th International congress of the Iranian Association of Pediatric Dentistry, Tehran, 2017.
2. Mehdi Jafarzadeh, *Effect of Virtual Reality during dental treatment on child anxiety*, 9th congress of the Iranian Association of Pediatric Dentistry, Tehran, 2010.
3. Mehdi Jafarzadeh, *Attitude of parents referred to the department of pediatric dentistry towards different behavioral management techniques used in pediatric dentistry*, 8th International congress of the Iranian Association of Pediatric Dentistry, Tehran, 2009.

4. Mehdi Jafarzadeh *dental management of disable children*, Dentist Training Symposium, Isfahan, 2006.
5. Mehdi Jafarzadeh, *behavior management of children in dental clinic*, Dentist Training Symposium, Isfahan, 2006.
6. Mehdi Jafarzadeh, *treatment of traumatic injuries to deciduous teeth*, Dentist Training Symposium, Isfahan, 2006.
7. Mehdi Jafarzadeh, *Efficacy comparison of two anesthetic technique (mandibular block versus infiltration) in restorative treatment of class I primary second mandibular molars in 5-8 years old*, 5th congress of the Iranian Association of Pediatric Dentistry, Tehran, 2006.
8. Mehdi Jafarzadeh, *Pulp Therapy and Treatment of Children with Cleft Lip and Palate*, Dentist Training Symposium, Isfahan, 2004.
9. Mehdi Jafarzadeh, *behavior management of children in dental clinic*, Dentist Training Symposium, Isfahan, 2004.
10. Mehdi Jafarzadeh, *space maintenance and occlusion in children*, Dentist Training Symposium, Isfahan, 2004.
11. Mehdi Jafarzadeh, *preventive resin restoration (P.R.R) and fissure sealants*, Dentist Training Symposium, 2004.
12. Mehdi Jafarzadeh, *Effect of etching time on shear bond strength of Excite to the dentin of primary canine*, 3rd congress of the Iranian Association of Pediatric Dentistry, Tehran, 2004.

Supervision of Undergraduate Dental Student Theses

1. Batool Hadi, *Effect of etching time on shear bond strength of Excite to the dentin of primary canine*, 2004.
2. Alireza Davoodi, *Effect of acid etching on shear bond strength of compoglass to primary tooth dentin*, 2005.
3. Abbas Forghani, *Comparison of two anesthetic technique (mandibular block versus infiltration) in restorative treatment of class I primary second mandibular molars in 5-8 years old children*, 2005.
4. Pashootan Mohseni, *Effect of oral Midazolam 0.5 mg/kg on management of uncooperative children in pediatric dentistry*, 2006.
5. Soroush Fallahi, *Retention of a Flowable Composite Resin in Comparison to a Conventional Resin-Based Sealant in first permanent molar of children, a 3-6-month Follow-up*, 2006.
6. Samira Yousefi, *Attitude of general dentists of Isfahan towards different behavioral management techniques used in pediatric dentistry*, 2008.
7. Fatemeh Keshani, *Reviewing the parental standpoint about origin of the dental fear in 6-12years old children referred to department of pediatric dentistry*, 2008.
8. Soodabeh Ahmadi, *Attitude of parents referred to the department of pediatric dentistry towards different behavioral management techniques used in pediatric dentistry*, 2008.
9. Hajar Esmailaian, *Evaluation of general dentist's attitudes toward children behavioral management techniques in Isfahan city*, 2009.

10. Sepideh Kazemizadeh , *Evaluation of the effect of parent's presence on fear and cooperation rate of children 4-6 years old referred to department of pediatric dentistry*, 2010.
11. Maryam Sanei, *Effect of educational films compared to conventional behavior control methods in pediatric dentistry on the attitude of dental students*, 2010.
12. Zeinab Azamian, *The effect of dentist's attire design on treatment acceptance in 6-12 years old-children*, 2013.
13. Ali Ghafoori, *Evaluation of the knowledge and awareness of pediatricians in Yazd city about the early childhood caries*, 2016.
14. Mozhdeh Habibi , *A comparative study of Shahid Beheshti university and Isfahan University dental students self confidence in managing uncooperative pediatric dental patients*, 2016.
15. Hossein Mirkazemi, *The relationship between learning preferences of dental students and grade point average using visual , auditory, reading-writing ,and Kinesthetic questionnaire in Isfahan dental school*, 2016.
16. Faezeh Abedi, *Assessment of DMFT/dmft and Oral Health behavior in children with Attention Deficit Hyperactivity Disorder in Isfahan*, 2017.
17. Mehrnaz Zakizadeh, *Relationship between maternal depression score and DMF index of their under 12-year children in Isfahan*, 2017.
18. Andisheh Amini, *Parental Awareness about Oral Health Preventive Care and its Relation to DMFT Index in Visually Impaired Children*, 2018.
19. Fatemeh Maddah, *Assessment of association between mother's oral health status and their Knowledge and Attitude about oral health and oral health status of their 6-12 Children*, 2018.
20. Yaser Abdi , *Investigating the causes of postponement in referring to the dentist and its relationship with anxiety and behavior of the child during treatment in Isfahan* , 2019.
