

Curriculum Vitae

Name : Mohammad Reza Safavi
Address : Alzahra Hospital
Phone – Email 09133152416- safavi@med.mui.ac.ir
drmrsafavi@gmail.com
<https://orcid.org/0000-0002-8975-7661>

PERSONAL INFORMATION

Date of birth, Marital statues, ...

- **Birth Date:** 24 may 1969
- **Marital status:** Married

EDUCATION

Most recent

Date, Degree/Course, Department/University, Dissertation title

- **2001-2005** Specialty in anesthesia , Isfahan University of Medical Sciences, Isfahan, Iran
- **1997-2001** General Medicine, Najafabad Azad University, Isfahan, Iran
- **2009** assoiated professor, Isfahan University of Medical Sciences, Isfahan, Iran
- **2016** full professor, Isfahan University of Medical Sciences, Isfahan, Iran

RESEARCH EXPERIENCE

Date, Title, University/organization, Description

- **Member of the intensive care unit, Isfahan University of Medical Sciences, since 2005**

TEACHING EXPERIENCE

Dates, Title, University/organization, Course/s taught, description of duties

- **anesthesia Interns' Instructor at Isfahan University of Medical Sciences**
- **Test Holder / Member of Examination Committee of Promotion Marks, anesthesia Department, Isfahan University of Medical Sciences**
- **Head of anesthesia students' academic affairs, Isfahan University of Medical Sciences 2007-present**

RELEVANT WORK EXPERIENCE

Dates, Title, University/organization, Description

2007- Present

Employer: Alzahra Hospital

Position: Chairman of anesthesia Department

2010- Present

Employer: Self-Employed – Private Clinic

Position: Anesthesia Subspecialist

2013- 2015

Employer: Alzahra Hospital

Position: Manager of Educational Center and anesthesia Operation Rooms

UNIVERSITY SERVICE

Dates, University/organization, Description

- **Appointed as Head of Anesthesia Department, alzahra hospital, 2023**
- **anesthesia Interns' Instructor at Isfahan University of Medical Sciences**
- **Test Holder / Member of Examination Committee of Promotion Marks, anesthesia Department, Isfahan University of Medical Sciences**
- **Head of anesthesia students' academic affairs, Isfahan University of Medical Sciences 2018-2019**
- **In charge of assessing documentation of medical files, alzahra hospital Health and Education Center, since 2019**
- **Representative of vice dean for research affairs in Isfahan University of Medical Sciences, 2017-2018**

RESEARCH INTERESTS

Research area

- **Anesthesiology and pain and ICU**
 - **Trauma**
-

TEACHING INTERESTS

Class title or subject

- **Management of congenital and developmental icu and pain**
- **Treatment of PICU**
- **Management of brachial plexus block**
- **Foot and ankle block**

PUBLICATIONS

Bibliographic format

A) CONFERENCES

A comparison of different doses of remifentanyl and tracheal lidocaine on attenuation of cardiovascular responses to laryngoscopy and tracheal intubation

Conference: Ist international cardiac anesthesiology congress. 2011; (Poster)

Authors: Azim Honarmand¹, Mohammadreza Safavi¹, Fatemehsadat Mortazavi

¹.Associate Professor of Anesthesia Anesthesiology and Critical Care Research Center, Isfahan University of Medical Sciences, Isfahan, Iran

A comparison of intravenous pethidine vs. sufentanyl on attenuation of cardiovascular responses to laryngoscopy and tracheal intubation

Conference: Ist international cardiac anesthesiology congress. 2011; (Poster)

Authors: Mohammadreza Safavi ¹,Azim Honarmand¹, Shiva Daneshpor ¹.Associate

Professor of Anesthesia Anesthesiology and Critical Care Research Center, Isfahan University of Medical Sciences, Isfahan, Iran

Does microalbuminuria predict duration of mechanical ventilation in critical ill patients?

Conference: Does microalbuminuria predict duration of mechanical ventilation in critical ill patients?. 2011; (Speech)

Authors: Mohammadreza Safavi(First author) Associate Professor of Anesthesiaand Intensive Care, Department of Anesthesiology and Intensive Care Medicine, Isfahan

University of medical sciences, , Isfahan, Iran. Azim Honarmand(Second author) Associate Professor of Anesthesiaand Intensive Care, Department of Anesthesiology and Intensive Care Medicine, Isfahan University of medical sciences, Isfahan, I

Prediction of arterial blood gas values from arterialized earlobe blood gas values in patients treated with mechanical ventilation

Conference: Ist international cardiac anesthesiology cgress. 2011; (Speech)

Authors: Azim Honarmand¹, Mohammadreza Safavi¹, Mahdi Habibi ¹.Associate

Professor of Anesthesia Anesthesiology and Critical Care Research Center, Isfahan University of Medical Sciences, Isfahan, Iran Acceptant:Indian J Crit Care Med July-September 2008 Vol 12 Issue 3

The evaluation effects of hemodynamic cardiovascular changes induced by inspired oxygen fraction in patients undergoing on- pump coronary artery surgery: a randomized double-blind placebo controlled trial study

Conference: Ist international cardiac anesthesiology congress. 2011; (Speech)

Authors: Mohammadreza Safavi ¹,Azim Honarmand¹, Neda Kargar ¹.Associate

Professor of Anesthesia Anesthesiology and Critical Care Research Center, Isfahan University of Medical Sciences, Isfahan, Iran Acceptant :Iranian Cardiovascular Research Journal Vol.2, No. 1, 2008 Index: Scopus

B) JOURNAL PAPERS

1. Safavi M, Honarmand A. Admission hypomagnesemia--impact on mortality or morbidity in critically ill patients. *Middle East J Anaesthesiol.* 2007;19(3):645–60.
2. Honarmand A, Safavi MR. Comparison of prophylactic use of midazolam, ketamine, and ketamine plus midazolam for prevention of shivering during regional anaesthesia: a randomized double-blind placebo controlled trial. *Br J Anaesth.* 2008;101(4):557–62.
3. Honarmand A, Safavi MR, Jamshidi M. The preventative analgesic effect of preincisional peritonsillar infiltration of two low doses of ketamine for postoperative pain relief in children following adenotonsillectomy. A randomized, double-blind, placebo-controlled study. *Pediatr Anesth.* 2008;18(6):508–14.
4. Attari MA, Mirhosseini SA, Honarmand A, Safavi MR. Spinal anesthesia versus general anesthesia for elective lumbar spine surgery: A randomized clinical trial. *J Res Med Sci Off J Isfahan Univ Med Sci.* 2011;16(4):524.
5. Honarmand A, Safavi M. Prevention of Propofol-Induced Injection Pain by Sufentanil. *Clin Drug Investig.* 2008;28(1):27–35.
6. Safavi M, Honarmand A. Attenuation of cardiovascular responses to laryngoscopy and tracheal intubation. *MEJ Anest.* 2008;19(6):1349–60.
7. Honarmand A, Safavi MR. Prediction of difficult laryngoscopy in obstetric patients scheduled for Caesarean delivery. *Eur J Anaesthesiol.* 2008;25(9):714–20.
8. Safavi M, Honarmand A. The impact of admission hyperglycemia or hypoalbuminemia on need ventilator, time ventilated, mortality, and morbidity in critically ill trauma patients. *Ulus Travma Acil Cerrahi Derg.* 2009;15(2):120–9.
9. Montazeri K, Kashefi P, Honarmand A, Safavi M, Hirmanpour A. Attenuation of the pressor response to direct laryngoscopy and tracheal Intubation: oral clonidine vs. oral gabapentin premedication. *J Res Med Sci Off J Isfahan Univ Med Sci.* 2011;16(Suppl1):S377.
10. Safavi M, Honarmand A, Zare N. A comparison of the ratio of patient's height to thyromental distance with the modified Mallampati and the upper lip bite test in predicting difficult laryngoscopy. *Saudi J Anaesth.* 2011;5(3):258.
11. Safavi M, Honarmand A, Nematollahy Z. Pre-incisional analgesia with intravenous or subcutaneous infiltration of ketamine reduces postoperative pain in patients after open cholecystectomy: a randomized, double-blind, placebo-controlled study. *Pain Med.* 2011;12(9):1418–26.
12. Safavi MR, Honarmand A. LOW DOSE INTRAVENOUS MIDAZOLAM FOR PREVENTION OF PONV, IN LOWER ABDOMINAL SURGERY. *Dep Anesthesiol Am Univ Beirut Med Cent PO Box 11-0236 Beirut 1107-2020, Lebanon.* 2009;20(1):75.

Guidados Criticos

Publisher: Marban. 2011; (Compilation) in Spanish)

Authors: Dr MR Safavi Dr Azim Honarmand

THESES SUPERVISION

- 2011 - To study the prophylactic effect of Dexamethasone ,Ketamine gargle ,and Dexamethasone with ketamine gargle in reducing postoperative sore throat
Supervisors: دکتر سید محمد رضا صفوی (me as Supervisor) دکتر عظیم هنرمند
Place: kashani hospital
- 2011 - The effect of different intrathecal pethedine on the incidence of shivering after orthopedic surgery
Supervisors: دکتر سید محمد رضا صفوی (me as Supervisor) دکتر عظیم هنرمند
Place: بیمارستان کاشانی، دانشگاه علوم پزشکی اصفهان
- 2011 - بررسی مقایسه ای تاثیر انفوزیون سه دوز اضافی پروپوفول بروضعیت لوله گذاری تراشه و عروقی بعد از آن -تغییرات قلبی
Supervisors: آقای دکتر عظیم هنرمند -دکتر سید محمدرضا صفوی (me as Supervisor)
Place: kashani hospital
- 2011 - بررسی مقایسه ای اسکور ملامپتی در حال اکستانسیون با تست گاز گرفتن لب فوقانی نسبت قد به فاصله تیرومنتال و طبقه بندی تغییر یافته ملامپتی برای پیش بینی لوله گذاری مشکل در بیماران تحت بیهوشی عمومی
Supervisors: Dr azim honarmand Dr MR safavi (me as Supervisor)
Place: kashani hospital
- 2009 - میلی گرم به 30و20و10)بررسی مقایسه ای میزان تاثیر دوزهای متفاوت سولفات منیزیم در یک کارآزمایی بالینی، ECT بر فشار خون و ضربان قلب بعد از (ازای هر کیلوگرم تصادفی شده ی دوسویه کور با کنترل پلاسبو
Supervisors: آقای دکتر سید :آقای دکتر عظیم هنرمند ، مجری دوم :مجری اصلی : آقای دکتر سید (me as Supervisor) - آقای دکتر مهرداد صالحی :محمدرضا صفوی همامی همکار طرح
- 2009 - کتامین بر درد و -کتامین و دگزامتازن -بررسی مقایسه ای تاثیر بین داروهای دگزامتازن عوارض پس از ادنوتونسیلکتومی اطفال
Place: alzhra hospital
- 2009 - +کتامین، کتامین +بررسی مقایسه ای تاثیر پره امپتیبو مولتی مودال سه ترکیب فنتانیل میدازولام بر روی درد بعد از عمل جراحی ارتوپدی اندام تحتانی تحت +میدازولام، و فنتانیل بی حسی اسپینال
