

CURRICULUM VITAE

Fatemeh Mokhtari

Dermatologist

PERSONAL INFORMATION

- **First Name:** Fatemeh
- **Last Name:** Mokhtari
- **Sex:** Female
- **Nationality:** Iranian
- **Birth Date:** 21 July 1977

Contact information:

Department: Department of Dermatology, Isfahan University of Medical Sciences, Isfahan, Iran

Address: Soffeh Street, Alzahra University Hospital, Isfahan, IRAN

Phone: (+98) 9131041232

EDUCATION

- 2008-2012 Specialty in Dermatology, Isfahan University of Medical Sciences, Isfahan, Iran

Thesis Title: Comparing the efficacy of topical clobetasol 0.05% plus 5FU 5% cream vs. topical clobetasol 0.05% alone in the treatment of vitiligo

- 1995-2002 General Medicine, Shahrekord University of Medical Sciences. Chaharmahal and Bakhtiari Province, Iran.

Thesis Title: investigation of some factors of ADHD in elementary school children of Shahrekord public schools between 2001-2002

Professional Society Membership:

- Member of Iranian medical council
- Member of Iranian society of Dermatology
- Member of Isfahan society of Dermatology

SPECIALITY/ FIELDS OF INTEREST

- Pilosebaceous unit disorders
- Cosmetic dermatology
- Pigmentary disorders

PROFESSIONAL SKILLS

- Treatment of skin, nail and mucous membrane diseases
- Botulinum toxin injection
- Filler injection
- Mesotherapy
- PRP injection

- Laser procedures (co2 fractional laser, erbium fractional laser, Q switched laser, hair removal laser)
- Surgical procedures (biopsy, excision, shave and curettage,...)
- Needle RF
- Endolift laser

PROFESSIONAL EMPLOYMENT

Self-Employed – Private Clinic

- Dermatologist. December 2018-present

Isfahan University of Medical Sciences

- Associate professor, Department of Dermatology, Isfahan University of Medical Sciences, Isfahan, Iran, October 2018-present
- Assistant professor, Department of Dermatology, Isfahan University of Medical Sciences, Isfahan, Iran, November 2012- October 2018.

Alzahra Hospital, Khorshid Hospital, Sedigheh tahereh Hospital, Isfahan, Iran

- Dermatologist, Isfahan University of Medical Sciences, Isfahan, Iran, October 2018-present

Alzahra Hospital, Khorshid Hospital, Sedigheh tahereh Hospital, Emam Hossein children Hospital, Isfahan, Iran

- Dermatologist, Isfahan University of Medical Sciences, Isfahan, Iran, November 2012- October 2018.

Borkhor and Meimeh Health and Treatment Network (Gladys Hospital) , Isfahan, Iran

- General practitioner.2003-2005
- Deputy Director and Quality Control Officer of Gladis Hospital.2004

Self-Employed – Private Clinic

- General practitioner.2003-2007

TEACHING EXPERIENCE

Isfahan University of Medical Sciences (Teaching theoretical and practical courses)

- Dermatologic students' Instructor at Isfahan University of Medical Sciences
- Dermatologic Interns' Instructor at Isfahan University of Medical Sciences
- Dermatologic Residents' Instructor at Isfahan University of Medical Sciences
- Head of Dermatologic students' academic affairs, Isfahan University of Medical Sciences
- Test Holder / Member of Examination Committee, Dermatology Department, Isfahan University of Medical Sciences

ADMINISTRATION AND MEMBERSHIP

- Member of Department of Dermatology, Medical school, Isfahan University of Medical Sciences, Isfahan, Iran.2012-present
- Member of skin diseases and leishmaniasis research center, Isfahan University of Medical Sciences, Isfahan, Iran.2013-present
- Head of Dermatologic students'academic affairs, Isfahan University of Medical Sciences, Isfahan, Iran. 2014-present
- The representative and supervisor of the Research Vice-Chancellor of the Faculty of Medicine in the thesis defense meetings of interns and assistants of the Faculty of Medicine of Isfahan University of Medical Sciences, Isfahan, Iran.2015-present
- Expert of the specialized advisory commission of the disciplinary boards of the Isfahan Medical System Organization, Isfahan, Iran. 2019 - July2023
- Member of the Scientific Committee of Clinical Qualifications of the Faculty of Medicine and cooperation in design, planning and implementation Evaluation test (Clinical skills assessment professor of the internship

period). School of Medicine, Isfahan University of Medical Sciences, Isfahan, Iran.2016-2022

- Member of the designing the question bank of the assistantship admission. Isfahan University of Medical Sciences, Isfahan, Iran.2022
- Member of the council of Vice-Chancellors of Medical faculty affairs in Clinical affairs, School of Medicine, Isfahan University of Medical Sciences, Isfahan, Iran. March 2019-March2020
- Member of the committee for evaluating and dealing with the adherence of assistants to the professional principles of the dermatology department.2019-2020
- Member of the designing the question bank of the assistantship admission. Isfahan University of Medical Sciences, Isfahan, Iran.2020
- Member of the scientific committee of the fourth national congress of what's new in skin surgery rejuvenation laser and hair transplantation. Esfahan. Iran. 2019
- Member of the scientific committee of the third national Iranian congress of dermatologic surgery, cosmetic procedures, laser and hair transplant. Esfahan, Iran.2018
- Member of designing and finalizing of the comprehensive basic science and pre-internship exams of the seventh educational region of the country, which was held at Isfahan University of Medical Sciences, Isfahan, Iran.2014-2018
- Member of educational development organization (EDO), School of Medicine, Isfahan University of Medical Sciences, Isfahan, Iran.2015-2017

- Participation in the 10th educational festival of Shahid Motahari by presenting” the process of teaching improvement in different educational fields in Isfahan Medical School “as a partner of the accepted process.2017
- Member of the examination board for the promotion and specialized certification of the field of dermatology. (Member of workshops for designing and evaluating exam questions for the promotion of clinical assistants (residents of dermatology)). Isfahan University of Medical Sciences, Isfahan, Iran. 2013-2017
- Member of the scientific committee of the second Iranian congress of dermatologic surgery. Esfahan. Iran. 2016
- Member of the Council of Authors of Iranian Journal of skin surgery. Owned and published by: Isfahan society of dermatology. 2016
- Member of the scientific committee and executive committee of the first Iranian congress of dermatologic surgery. Esfahan. Iran. 2015
- Member of the Research Council of the Open Research Project of the Faculty of Medicine. Isfahan. Iran. 2014-2015
- Member of the scientific committee of the 7th congress of updates in dermatology and cosmetic. Esfahan. Iran. 2014
- Member of the sports committee of the health and treatment network of Borkhar and Meimeh. Iran. 2004
- Deputy Director and Quality Control Officer of Gladis Hospital. Isfahan. Iran. 2004

Reviewer of International journals:

- Reviewer of Advanced Biomedical Research.2012-present

- Reviewer of Journal of Research in Medical Sciences.2013-present
- Reviewer of International Journal of Preventive Medicine.2015-present
- Reviewer of Journal of Isfahan Medical School.2019-present
- Reviewer of Journal of Research in Pharmacy Practice.2023

Reviewer of Research project proposal:

- Reviewer of Research project proposal. School of Medicine, Isfahan University of Medical Sciences, Isfahan, Iran.

EDITORIAL BOARD

- Section editor of International Journal of Preventive Medicine.2015-2021
- Section editor of Journal of Research in Medical Sciences.2013-2014

PUBLISHED PAPERS (PEER-REVIEWED)

- 48. Mokhtari F.** Comparing the efficacy of topical clobetasol 0.05% plus 5FU5% cream vs. topical clobetasol 0.05% alone in the treatment of vitiligo. Congress of skin diseases update(skin colour disorders).Tehran, Iran.December.2012(oral presentation)

49.Mokhtari F. common cancers. One-day scientific conference. Isfahan University of Medical Sciences. Isfahan, Iran. October.2012(oral presentation)

AWARDS AND HONORS

1. Appreciation of scientific and human value and congratulations on Doctor's Day by the head of the skin diseases and leishmaniasis research center, Isfahan University of Medical Sciences, Isfahan, Iran.2023
2. Thanks for the commitment and sincerity and congratulating on Doctor's Day by the head of the treatment, education and research center Hazrat Sedigheh Tahereh.2021
3. Appreciation for getting the highest evaluation rank in the Department of Dermatology by the head of the Faculty of Medicine. Isfahan University of Medical Sciences. Isfahan, Iran.2016
4. Appreciation and thanks for the good performance in the teaching and learning committee by the head of the Faculty of Medicine. Isfahan University of Medical Sciences. Isfahan, Iran.2016
5. Appreciation and thanks for the worthy and desirable performance in carrying out educational, research and therapeutic tasks in the department and therapeutic training centers by the head of the Faculty of Medicine. Isfahan University of Medical Sciences. Isfahan, Iran.2015
6. Thanks for the valuable speech at the first skin surgery congress of Iran.2015
7. Thanks for the valuable efforts in the special clinic of the university by the vice president of Isfahan University of Medical Sciences. Isfahan, Iran.2015

8. Ranked first in the 59th National Iranian Dermatology Board certificate exam and congratulations and praise by the Minister of Health, Iran. 2012
9. Appreciation and thanks for the valuable efforts in the academic field of the university in the 7th celebration of pioneer students by the student and cultural Vice-Chancellor of Isfahan University of Medical Sciences.2012
10. The best assistant (dermatologic resident) in terms of education in the fourth educational festival of Shahid Motahari. Appreciation and thanks by Vice-Chancellor of Isfahan University of Medical Sciences. 2011
11. Appreciation and thanks for the sincere efforts and compassionate efforts by the manager of the health and treatment network of Borkhar and Meimeh.2005
12. Appreciation and thanks for the cooperation and assistance in order to obtain the first-class rank of Gladis Hospital by the manager of the health and treatment network of Borkhar and Meimeh.2005
13. Ranked second in the volleyball field in the 10th Sports Festival of Isfahan University of Medical Sciences.2005
14. Appreciation and thanks for the significant and valuable activities towards the goals of the Gladis hospital by the manager of the health and treatment network of Borkhar and Meimeh.2004
15. Congratulations and gratitude for achieving great success in the national measles and rubella vaccination plan by Deputy Minister and President of Isfahan University of Medical Sciences.2004

16. Thanks and appreciation for your hard work and valuable efforts to promote the health of society and health goals by the manager of the health and treatment network of Borkhar and Meimeh.2003
17. Ranked third in general medicine course at the University level. Shahrekord University of Medical Sciences. Chaharmahal and Bakhtiari Province, Iran. 2002

DISSERTATION/THESIS COMPLETED

1. Comparison of the Effects of Fractional CO2 and Erbium YAG Fractional Lasers in the Treatment of Acne Scar.2023(Thesis number: 397607)
2. Comparison of the efficacy of combined treatment of erbium laser, topical minoxidil and oral finasteride with topical minoxidil and oral finasteride in patients with moderate to severe male androgenetic alopecia referred to educational clinics of Isfahan University of Medical Sciences.2023(Thesis number: 399904)
3. Comparison of serum vitamin d levels in the severity of alopecia areata patients.2023(Thesis number: 298252)
4. Investigation of quality of life in patients with mycosis fungoides in Isfahan, 2017.2023(Thesis number: 397325)
5. Investigating the relationship between Vasculitis in patients with coronavirus in Khorshid Hospital in Isfahan with demographic and clinical factors.2023(Thesis number: 199340)
6. Comparison of the efficacy of Erbium: YAG laser and topical hydroquinone 4% versus intradermal tranexamic acid and topical hydroquinone 4% in treatment of resistant melasma.2021 (Thesis number: 398168)

7. Comparison of carboxy therapy and platelet Rich Plasma (PRP) injection for treatment of periorbital darkness.2021 (Thesis number: 397608)
8. Comparing the treatment effects of microneedling, pimchrolimus and microneedling with pimchrolimus methods on improvement of vitligo patients.2021(Thesis number: 398200)
9. Comparative efficacy study of microneedling (2different needle length) and topical minoxidil versus topical minoxidil alone in androgenetic alopecia in patients referring to educational center of Isfahan university of medical sciences.2021(Thesis number: 397411)
- 10.Systematic review : effectiveness and safety of treatments for bullous pemphigoid.2021(Thesis number: 396143)
11. The comparison of VASI SCORE changes and Repigmentation amount in suction blister and dermabrasion+5%5FU topical cream in patients suffering stable vitiligo that do not respond to conventional treatments.2021(Thesis number: 396802)
12. Study of Frequency Distribution of etiologic agents of Pityriasis versicolor in Isfahan using Multiplex-PCR during 2018-2019.2020(Thesis number: 397113)
13. Evaluation and comparison of side effects and satisfaction of patient and physician in minimally invasive inferior phenol blepharopeeling versus blepharoplasty without peeling for rejuvenation of lower lids in patient who referred to alzahra hospital in 2017. 2020(Thesis number: 396644)
14. Efficacy of topical benzoyl peroxide 5% combined with intense pulsed light versus topical Adapalene 0/1% combined with intense pulsed light in the treatment of acne vulgaris mild to moderate for women in reproductive age.2019(Thesis number: 396141)

15. Comparison between the efficacy of intralesional rituximab and intralesional triamcinolone in the treatment of patients with refractory pemphigus vulgaris of scalp and oral mucosa.2019(Thesis number: 396599)
16. Autologous melanocyte – keratinocyte suspension transplantation in patients with postburn leukoderma Comparison of two techniques to prepare the recipient site: Dermabrasion Versus Erbium: YAG laser.2019(Thesis number: 394304)
17. Epidemiologic and demographic aspect of patients with pemphigus vulgaris who Needs hospital care between 2006-2013.2018 (Thesis number: 397343)
18. Evaluation of the efficacy of ER:YAG laser prior to topical treatment with 5FU + clobetasole in vitiligo patient referring to Isfahan educational clinics.2018(Thesis number: 394875)
19. Frequency distribution of therapeutic methods used and demographic characteristics in patients with pemphigoid bolus admitted to Alzahra Hospital in Isfahan from 2006 to 2015.2018(Thesis number: 394612)
20. A comparison of co-administration of Zinc Sulfate and Calcium Pantothenate, Zinc Sulfate, Calcium Pantothenate, and 2% minoxidil Solution Regimens on Controlling hair loss in women: a randomized controlled trial study.2017(Thesis number: 394675)
21. Efficacy of topical benzoil peroxide5% combind with intence pulsed light versus topical benzoil peroxide5% alone in the treatment of acne vulgaris mild to moderate.2017(Thesis number: 394426)
22. The comparison of low dose and traditional dose of oral isotretinoin on the improvement of moderate and severeacne vulgaris.2017(Thesis number: 393894)

23. Investigating the frequency distribution of celiac autoantibodies in patients with alopecia areata and comparing it with the control group.2016(Thesis number: 393232)
24. Investigating the therapeutic effectiveness of topical ZINC ACETATE 1.2% in seborrheic dermatitis patients treated with 2% ketoconazole solution.2016(Thesis number: 393363)
25. Efficacy of topical azathioprine and betamethasone versus betamethasone-only emollient cream in 2-18 years old patients with moderate-to-severe atopic dermatitis: A randomized controlled trial.2015(Thesis number: 393464)
26. Comparison effect of azithromycin gel 2% with clindamycin gel 1% in patients with acne.2015(Thesis number: 392518)
27. Comparison of fractional CO2 laser and combination of pulsed dye laser and fractional CO2 laser in the treatment of striae alba.2014(Thesis number: 392210)
28. The evaluation of cutaneous adverse drug eruption in patients in hospital associated Isfahan university of Medical sciences.2014 Thesis number: 293060)
